RE: High Road School of Norwalk updated name

As we prepare for SY 2019-2020, we're excited to announce we have formally changed the name of High Road School of Norwalk to High Road School of Fairfield County. Though this represents a potentially small change overall, we believe it is symbolic of the new direction we're headed as a local provider of specialized educational programming for students across the county.

We will be hosting a series of outreach, education, and engagement sessions in the new school year aimed at soliciting and incorporating additional feedback as part of our continuous improvement process. Many important lessons and long-term partnerships will be carried forward into this new era for our school.

We take the opportunity to serve your Students and Families very seriously; we're committed to ensuring the most effective programming environment to meet the needs of each individual student we have the privilege to serve. If you have any questions, comments and/or concerns, please do not hesitate to contact me directly. We look forward to an amazing year, for all we have the opportunity to serve.

Respectfully,

Lindsey Russo, MSW
Operations Manager
