Program Overview

- "Our extensive assortment of approximately 25,000 artifacts fall into four categories: multicultural, Victorian, natural history, and items that relate to Mohawk Valley's colorful industrial past (documentary, photographic and tangible). Since its inception, the museum has served to link school curriculum to the dynamic richness of our common cultural and historic heritage, and has functioned as an intellectual and artistic center for Amsterdam and the Mohawk Valley. We offer interactive learning environments, educational classes, and a
